CorePass® First Aid I (Basic)

7001:2023

Generated At: Monday, August 25, 2025

IQF Level	3	IQF Credit	1
Approved References	IFRC International First Aid, Resuscitation and Education Guidelines https://www.ifrc.org/document/international-first-aid-resuscitation-and-education-guidelines ANZCOR Emergency Care: A guide for first responders (2025)		
Special Notes			

Operate an Automatic External Defibrillator (AED)	700123D1
--	----------

Performance	Activate and apply an AED on a patient with a shockable rhythm, whilst undertaking single-rescuer CPR.
Standards	In accordance with manufacturers operating instructions.
Conditions	Using a AED trainer on a manikin (adult, child or infant).
Comments	

Provide basic life support (CPR) for adult, children and infants.	700123D2
--	----------

Performance	Perform single-rescuer CPR without adjuncts
Standards	For at least 2 minutes, in accordance with good practices and approved references set by recognised international, national or state bodies.
Conditions	On an adult, child and infant manikin, with no adjuncts other than optional face-shield.
Comments	Must also include managing foreign body airway obstruction for adult, child and infant (i.e. thrusts/blows). Must demonstrate placing patient into the recovery position.

Assess and treat major hemorrhage	700123D3
--	----------

Performance	Assess and provide basic initial treatment of patient with major hemorrhage and shock as a first aider
Standards	In accordance with good first aid practices set by a recognised international, national or state body.
Conditions	For a major hemorrhage caused by one of the following: gunshot, impalement, stabbing, crush injury.
Comments	Must demonstrate knowledge of indications and contra-indications of using tourniquet.

Performance	Provide first aid in a professional, safe and respectful manner, through obtaining consent (where possible), treating patient information in confidence, safeguarding (child protection), documenting treatment, critical thinking/problem solving, and reviewing first aid response.
Standards	In accordance with any codes applicable, local privacy obligations, cultural practices and organizational reporting requirements.
Conditions	In a simulated emergency incident requiring engagement with patient, bystanders and emergency services.
Comments	Where "Good Samaritan" or "duty to act" laws exist, an awareness of these should be demonstrated. Safety refers to safety of first aider, patient and others at the scene. An awareness of available telehealth services should be demonstrated where appropriate.
